excellent overview of the facility followed by tours of the Facility Management and Administration Center (FMAC) and Defense Commercial Telecommunications Network (DCTN) control room.

c. [ ] met with [ ] DI Planning Officer, to discuss the DDI submission to the FY88-92 New Communications Services exercise. There has been a significant change of personnel in the DI Planning Office which has resulted in a delay of the DI's FY88-92 New Communications Services submission.
